THE CITL REPORT
MARCH 2025

Spring 2025 Mid Semester Instructional Diagnostics

BOOK NOW

We are excited to offer two types of instructional diagnostics this semester: Small Group Instructional Diagnostic (SGID) and Mid-Point Instructional Diagnostic (MID). Both diagnostics offer simple and straightforward evaluation processes that use student feedback to help faculty improve their courses before the end of the semester. You can learn more about each process and book an instructional diagnostic here.

CITL TECH TRENDSETTER GRANT

APPLY NOW »

We invite faculty across campus to apply for the TechTrendsetters Grant. The TechTrendsetters Grant is designed to boost faculty engagement and proficiency in incorporating emerging technologies, tools, and digital literacy into their curricula. Additional information about the grant, the timeline for the 2025 cycle, application questions, budget templates, and more can be found on the CITL website. Watch out for our upcoming Trendsetter Tech Tuesday sessions listed below, where we will hear from our 2024 grantees!

Creator+ Updates

The Author Tool in Creator+ has been relocated to improve usability. To learn more about this change visit the CITL website. If you are interested in learning more about Creator+, join us for our upcoming workshops on March 4 and 11, or schedule an appointment with one of our Instructional Designers.
