Tennessee Tech Student Credit Hours (SCH) Comparison Report
Fall 2021 - Fall 2024

The *Student Credit Hours Comparison* report provides information about Student Credit Hours (SCH) generated by courses. SCH is distributed by a course's college, level, and department.

Data Notes:

1. All data conforms to TTU internal reporting standards and may differ slightly from official reports provided to external constituents such as the Tennessee Higher Education Commission. Differences in reporting date can also cause minor discrepancies.
2. Census 14th Day data is pulled and frozen as of the Census day (14th Class Day) of the term. End of Term data is pulled and frozen at the end of the term after all grades are posted.
3. Department names and department affiliations are as of the most recent Fall term. Departments that were different in previous years are mapped to the current definition.
4. Difference is calculated by taking End of Term minus Census 14th Day.
5. TN eCampus courses are distributed to the corresponding Tennessee Tech University department.
